

# UKRAINE AND THE WORLD: CULTURE, POLITICS, SOCIETY

An international conference of the Mykola Zerov Centre for Ukrainian Studies at Monash University, the Ukrainian Studies Association of Australia and New Zealand and the Shevchenko Scientific Society in Australia

12-14 July 2018

Sir Louis Matheson Library  
Clayton Campus, Monash University

The conference provides a platform for consideration of the current state of affairs in Ukraine, including the ongoing crisis in the East of the country and the various responses that Ukrainian society and Ukrainian culture have given to the challenges of the post-Euromaidan era, both in Ukraine and in Ukrainian communities elsewhere. Participants will reflect on how Ukraine has imagined and shaped its role in the world and how foreign actors have perceived Ukraine and its international outlook both in the past and in the present day.

The conference's keynote speakers are Professor Giovanna Brogi (University of Milan, Italy), Professor Natalia Chaban (University of Canterbury, New Zealand) and Professor Natalie Kononenko (University of Alberta, Canada).
