Non participating Foreign Financial Institution

(a) A Passive Non-Financial Entity (NFE) is an entity that is not an Active NFE. An Active NFE must meet certain criteria including:

- Active NFEs by reason of income and assets: Less than 50% of the NFE’s gross income for the preceding calendar year or other appropriate reporting period is passive income, and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income. ‘Passive income’ would generally be considered to include the portion of gross income that consists of:
 - dividends and interest or income equivalent to interest;
 - rents and royalties, other than rents and royalties derived in the active conduct of a business conducted, at least in part, by employees of the NFE;
 - the excess of gains over losses from the sale or exchange of Financial Assets that gives rise to the passive income described previously;
 - the excess of gains over losses from transactions (including futures, forwards, options, and similar transactions) in any Financial Assets;
 - the excess of foreign currency gains over foreign currency losses or net income from swaps;
 - publicly traded NFEs;
 - governmental entities, international organisations, central banks or their wholly owned entities;
 - start-up NFEs; or
 - non-profit NFEs.

(b) A Controlling Person (or ‘beneficial owner’) generally refers to any person holding 25% or more in an entity. If no natural person is identified as exercising control of the entity, the natural person who holds the position of senior managing official (e.g. directors) will be the Controlling Person of the entity. If a settlor, trustee, protector or beneficiary of a trust membership holder they are always treated as a Controlling Person of the trust.
