- Active NFEs by reason of income and assets: Less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income, and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income. 'Passive income' would generally be considered to include the portion of gross income that consists of:
    - dividends and interest or income equivalent to interest;
    - rents and royalties, other than rents and royalties derived in the active conduct of a business conducted, at least in part, by employees of the NFE;
    - the excess of gains over losses from the sale or exchange of Financial Assets that gives rise to the passive income described previously;
    - the excess of gains over losses from transactions (including futures, forwards, options, and similar transactions) in any Financial Assets;
