The internet banking redraw option only applies if:

- You (meaning all of you if there is more than one borrower and any guarantor/s) sign the redraw authority on this page;
- Redraw is an option offered on your loan type as detailed in the Offer and Loan Contract; and
- You pay any applicable fees for withdrawals under the redraw option.

- c. For internet banking redraws, if there is more than one borrower under the loan contract, you authorise us to process the drawback on the instructions of any of you; and
- d. For counter redraws, if there is more than one borrower under the loan contract, all borrowers will be required to authorise redraws.

You agree to be bound to the terms and conditions in the Offer and Loan Contract including the following:

- With our consent on each occasion (which we must not unreasonably withhold), you may drawback excess repayments up to the lesser of the amount that would have been the outstanding balance under the loan contract had you made all repayments as the loan contract requires and \$50,000;
- The minimum amount of each drawback is \$250 and we may vary this amount from time to time;

Refusal and cancellation of redraw option by Lender

We may refuse any request for a redraw at any time. We may also cancel your redraw option at any time, but will tell you if we have done so. If any party wishes to disable the service, only one is required to submit this request.
